

### Post-activity for Worldview

1. Climate change is a(n) \_\_\_\_\_ issue.

*Circle all that apply*

- a. environmental
- b. social
- c. political
- d. human rights
- e. security

2. How was Mohamed Nasheed involved in the politics of the Maldives before he took office in 2008?

3. How many meters above sea level are the Maldives?\*

4. Who are the two biggest contributors to greenhouse gas emissions?

5. Name one \_\_\_\_\_ environmental cause in Ohio (hint: think about our panelists Andrea Chu and Kate Dye)

6. What faith is primarily practiced in the Maldives?

7. Beyond just physical land & material possessions, what will be lost if the Maldives are submerged?

8. What was the name of the climate conference President Nasheed attended in the film?

9. Jon Shenk filmed *Island President* as a political documentary and an art piece. Name one other artist who uses their work for environmental activism and briefly describe their work. (Remember an artist doesn't have to be strictly visual).

10. In what ways can we combat the effects of climate change?

*Circle all that apply*

- a. Physical infrastructure (sea walls, etc)
- b. Community
- c. Political policy
- d. Activism
- e. Individual accountability
